

## **The Legend of Spyro: Dawn of the Dragon Scorches North American Retailers Today**

### **Elijah Wood, Gary Oldman, Christina Ricci, Blair Underwood, Wayne Brady and Mark Hamill Provide Voice-Over Performances**

SANTA MONICA, Calif., Oct 22, 2008 /PRNewswire-FirstCall via COMTEX News Network/ -- Activision Publishing, Inc. (Nasdaq: ATVI) today announced the third and final chapter of the popular The Legend of Spyro(TM) video game trilogy, The Legend of Spyro(TM) Dawn of the Dragon, is currently available at North American retailers. The game features legendary leading men, Elijah Wood (Frodo Baggins in The Lord of the Rings trilogy) and Gary Oldman (Sirius Black from the Harry Potter films), who will reprise their roles as Spyro and his mentor Ignitus, as well as Hollywood talents Christina Ricci, Blair Underwood, Mark Hamill and Wayne Brady.

"This year is Spyro's 10th anniversary and players are definitely going to see noticeable advances in The Legend of Spyro: Dawn of the Dragon on the next-gen machines," said David Pokress, vice president, global brand management, Activision Publishing, Inc. "This latest chapter in the Spyro franchise introduces fun new faces and entertaining game elements like flying at any time and drop-in/drop-out co-op, with both Spyro and Cynder."

The Legend of Spyro: Dawn of the Dragon is rated E10+ (Everyone Age 10 and up) for the Xbox 360(R) video game and entertainment system from Microsoft, PLAYSTATION(R)3 computer entertainment system, Wii(TM) home video game system, PlayStation(R)2 computer entertainment system and is rated E (Everyone) for Nintendo DS(TM).

Developed by Etranges Libellules (Xbox 360, PLAYSTATION 3 System, Wii, PlayStation 2 System) and Tantalus (Nintendo DS), The Legend of Spyro: Dawn of the Dragon introduces two never before seen elements into the Spyro universe: Spyro can now fly at any time and gamers can play together with the new cooperative feature. The co-op feature allows players to have the option of completing the game as either Spyro or Cynder, giving them more freedom to explore Spyro's world in completely new ways.

#### About Etranges Libellules

Etranges Libellules is an Xbox 360, PLAYSTATION 3 system, PlayStation 2 system, Wii and Nintendo DS development studio. Founded in 1994, Etranges Libellules has been successful in adapting licensed and original properties into video games to become the largest independent French development studio. Specializing in the character based action genre, the studio is best known for developing games based on the "Asterix" franchise, which has sold over 3 millions units to date. They have also collaborated with Luc Besson in developing the video game based on his last movie, "Arthur and the Invisibles." In the 2007 holiday season, Etranges Libellules released "Asterix at the Olympics," based on the popular movie, for Wii, PlayStation 2 system and Nintendo DS -- with an Xbox 360 version coming soon.

#### About Tantalus

Founded in 1994, Tantalus has developed over thirty titles on most major platforms. The company has come to be recognized as one of the world's leading independent handheld studios, renowned for its work on franchises such as SpongeBob, Top Gear, MX vs. ATV, Cars and most recently Pony Friends. In addition to its work on Nintendo DS and PSP system, Tantalus also develops for the current generation of consoles. Tantalus employs more than seventy developers, all working from its Melbourne studio.

Cautionary Note Regarding Forward-looking Statements: Information in this press release that involves Activision Publishing's expectations, plans, intentions or strategies regarding the future are forward-looking statements that are not facts and involve a number of risks and uncertainties. Activision Publishing generally uses words such as "outlook", "will", "could", "would", "might", "remains", "to be", "plans", "believes", "may", "expects", "intends", "anticipates", "estimate," future," "plan," "positioned," "potential," "project," "remain," "scheduled," "set to," "subject to," "upcoming" and similar expressions to help identify forward-looking statements. Factors that could cause Activision Publishing's actual future results to differ materially from those expressed in the forward-looking statements set forth in this release include, but are not limited to, sales of Activision Publishing's titles, shifts in consumer spending trends, the seasonal and cyclical nature of the interactive game market, Activision Publishing's ability to predict consumer preferences among competing hardware platforms (including next-generation hardware), declines in software pricing, product returns and price protection, product delays, retail acceptance of Activision Publishing's products, adoption rate and availability of new hardware and related software, industry competition, rapid changes in technology and industry standards, protection of proprietary rights, litigation against Activision Publishing, maintenance of relationships with key personnel, customers, vendors and third-party developers, domestic and international economic, financial and political conditions and policies, foreign exchange rates, integration of recent acquisitions and the identification of suitable future acquisition opportunities, Activision Publishing's success in integrating the operations of Activision Publishing and Vivendi Games in a timely manner, or at all, and the combined company's ability to realize the anticipated benefits and synergies of the transaction to the extent, or in the timeframe, anticipated. Other such factors include additional risk factors identified in Activision Blizzard's most recent annual report on Form 10-K and any subsequent quarterly reports on Form 10-Q. The forward-looking statements in this release are based upon information available to Activision Publishing and Activision Blizzard as of the date of this release, and neither Activision Publishing nor Activision Blizzard assumes any obligation to update any such forward-looking statements. Forward-looking statements believed to be true when made may ultimately prove to be incorrect. These statements are not guarantees of the future performance of Activision Publishing or Activision Blizzard and are subject to risks, uncertainties and other factors, some of which are beyond its control and may cause actual results to differ materially from current expectations.
