Investor Presentation

July 2009
A world leader in communications and entertainment

#1 Video Games Worldwide
#1 Music Worldwide
#2 Telecoms France
#1 Telecoms Morocco
#1 Pay-TV France
Vivendi’s focus on new products and services should deliver additional growth

- 70% of sales from subscriptions, 64 million subscriptions worldwide
- Increased customer demand for interactive services and products
- Ideally positioned to capture digital growth
- Strong innovation track record:
  - Activision Blizzard created the leading global online game and community with World of Warcraft. It has increased ASP thanks to the combination of software with peripherals (Guitar Hero, DJ Hero and Tony Hawk to be launched) and downloadable content
  - UMG at the forefront of digital initiatives: MySpace Music, Nokia Comes With Music, VEVO
  - Variety of new services offered by our distribution platforms: SFR was the first to introduce 3G in France and remains #1, Canal+ has launched several IP-based initiatives

* Source: various industry sources
At the forefront to broaden the range of music revenue streams

- Acquisition of BMGP creating the world’s largest music publishing company
- Acquisition of Sanctuary and Bravado to diversify into artist management and merchandizing

Physical music sales represented 60% of total revenues in 2008 vs. 69% in 2007

Grow digital to make music legally available everywhere

- Initiate and participate in all new business models: VEVO, agreements with Nokia and Virgin Media...
- Sign early strategic partnerships: MySpace Music, Deezer...

Maintain A&R momentum and market share gains

- Continued investment in artist and talent search
- Further participate in artists brands by turning their products into hits

From a CD company to a music entertainment company
SFR, a next generation telecom operator to capture Internet growth:

- Internet will be in every home, on every device and for all types of usage:
  - 100% of French homes with Broadband Internet in 2012 (Plan Besson Numérique 2012)
  - Mobile Internet is now a reality: mobile data revenues up 32% in FY08, success of the Illimythics offers...

- Strong and complementary assets to capitalize on customer demand for mobility and broadband:
  - Leading mobile network in France and #1 in 3G with 6.5m subscribers
  - Leading alternative broadband platform: ~50% of French unbundled lines, over 4 m subscribers
  - Strong track records of innovative offers: 3G+ USB cards, UltraMobile PC...
  - Retail network of 800 stores

- Positioned to gain market share on enterprise segment

- Evolution toward full IP networks and ability to offer seamless access to all Internet services on all screens
Dynamism of the Moroccan market

- 50% of the population under 25 years old
- 74% mobile market penetration
- Strong elasticity: competitive pricing and customer acquisition efforts drive traffic increase
- Progressive development of new services: 3G video telephony services, prepaid mobile internet, triple play, #1 French-Arabic web portal...

Strong growth opportunities in the African subsidiaries:

- Increase penetration rates through network expansion and new product offerings
- Improvement to service quality
- Modernize information systems and management structures to optimize the cost base
- Develop customers acquisitions through quality of content and new commercial offer:
  - 6.5m subscribers among French households: a potential additional market of 12m subscribers
  - Benefit from ADSL market growth: reinforced partnerships initiated with ADSL operators
  - Capitalize on ADSL households (pre-equipped) and take advantage of upcoming analog switch off

- Reduce churn by increasing usage
  - Offer premium equipment for a better TV experience: Le Cube
  - Enhance usage and satisfaction by addressing new customers viewing habits: catch up TV
  - Push on mobility: La clé Canal+, Web TV, mobile TV

- Grow ARPU on expanding eligible base via additional services and options (HD, Multi-room...)

- Expand footprint in underpenetrated markets outside France: Maghreb and Vietnam where Canal+ recently expanded, represent a cumulative 35m TV homes and 170m people
2009 Business Outlook

**Capex net:** €2,001m; + €375m, mainly due to the consolidation of Neuf Cegetel
Adjusted earnings before interest and income taxes (EBITA): EBIT (defined as the difference between charges and income that do not result from financial activities, equity affiliates, discontinued operations and tax) before the amortization of intangible assets acquired through business combinations and the impairment losses of intangible assets acquired through business combinations.

**Adjusted net income** includes the following items: EBITA, income from equity affiliates, interest, income from investments, including dividends received from unconsolidated interests as well as interest collected on loans to equity affiliate and unconsolidated interests, as well as taxes and minority interests related to these items. It does not include the following items: impairment losses of intangible assets acquired through business combinations, the amortization of intangibles acquired through business combinations, other financial charges and income, earnings from discontinued operations, provision for income taxes and minority interests relating to these adjustments, as well as non-recurring tax items (notably the change in deferred tax assets relating to the Consolidated Global Profit Tax System and the reversal of tax liabilities relating to risks extinguished over the period).

**Cash flow from operations (CFFO):** Net cash provided by operating activities after capital expenditures net, dividends received from equity affiliates and unconsolidated companies and before income taxes paid.

**Capital expenditures net (Capex, net):** Capital expenditures, net of proceeds from property, plant and equipment and intangible assets.

**Financial net debt** is calculated as the sum of long-term and short-term borrowings and other long-term and short-term financial liabilities as reported on the consolidated statement of financial position, less cash and cash equivalents as reported on the consolidated statement of financial position, as well as derivative instruments in assets and cash deposits backing financing (included in the Consolidated Statement of Financial Position under “financial assets”).

The percentage of change are compared with the same period of the previous accounting year, except particular mention.

For all financial or business information,
please refer to our Investor Relations website at: http://www.vivendi.com/ir
This presentation contains forward-looking statements with respect to the financial condition, results of operations, business, strategy and plans of Vivendi. Although Vivendi believes that such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance. Actual results may differ materially from the forward-looking statements as a result of a number of risks and uncertainties, many of which are outside our control, including, but not limited to the risks described in the documents Vivendi filed with the Autorité des Marchés Financiers (French securities regulator) and which are also available in English on our website (www.vivendi.com). Investors and security holders may obtain a free copy of documents filed by Vivendi with the Autorité des Marchés Financiers at www.amf-france.org, or directly from Vivendi. The present forward-looking statements are made as of the date of the present presentation and Vivendi disclaims any intention or obligation to provide, update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The release schedules for both UMG and Activision Blizzard may change.
