

# RECORD COMPANY LABEL MANAGER

## YOUR PASSION

You manage artists and their careers at your label. You identify and sign new talents. You make sure your artists continue to enjoy a successful career. You manage the artistic, promotional, marketing and sales aspects.

## YOUR SATISFACTION

You love music, artists and creative people, and enjoy finding and developing talent.

## OTHERS FUNCTIONS

Label management  
General management  
Junior label legal specialist

## YOUR MOTIVATION

You develop artists under contract with the label. You have a close relationship with artists and are responsible for negotiating with them.  
You develop the label's artistic strategy. You are involved in the production stages and the artist's interactions with the public.

## YOUR ASSETS

Your extensive knowledge of musical repertoires. Your ability to successfully anticipate new trends.  
Your network of artist and media contacts.  
Open-minded and curious, you are a good listener, believe in an artist's potential and create a trusting relationship.
