

## ***PRESS RELEASE***

Paris, April 11, 2014

### ***THE UEFA CHAMPIONS LEAGUE ON CANAL+ UNTIL 2018***

CANAL+ is very happy to have been granted by UEFA one premium Champions League package. This will allow the channel to continue sustaining an already exceptional football offer.

CANAL+ will broadcast one first pick game live on each matchday of the Champions League and continue to follow the competition through its CANAL CHAMPIONS CLUB sports show.

Following each match day, subscribers will be able to see the all the highlights and top goals from the UEFA Champions League as part of CANAL FOOTBALL CLUB, a leading sports show broadcast unencrypted Sunday evenings on CANAL+. CANAL+ will also continue to broadcast the Champions League UEFA Magazine. The new contract covers three seasons, from 2015/2016 to 2017/2018.

By winning a major Champions League game one week after having been awarded the two premium French Ligue 1 packages, i.e. a total of three out of four premium packages, CANAL+ Group is in a position to offer its subscribers the very best football line up ever brought together by a French broadcaster.

During the coming six years CANAL+ Group will broadcast all the main Ligue 1 events: the two best games every weekend until 2016, then, for the following four seasons until 2020, the three first picks of live games of each matchday, i.e. the 114 most important games of the season. Furthermore, our leading shows, JOUR DE FOOT on Saturdays and CANAL FOOTBALL CLUB on Sundays, will continue to tell the Ligue 1 saga with highlights from all the games.

*In addition to the two main national championships and the most prestigious European cup, CANAL+ is the exclusive broadcaster of the English Premier League in France. CANAL+ also owns broadcasting rights of the Italian Serie A and the German Bundesliga.*

*This unparalleled football offer strengthens CANAL+'s already strong positions in premium sport, which includes exclusive rights such as the French Top14 rugby (until 2019), the Formula One World Championship and leading golf tournaments.*
