This ceases to be mandatory when the statutory reserves reach an amount equal to 10% of the share capital, and enters into effect again, if, for any reason, the same statutory reserves fall below this percentage.

   The Shareholders’ Meeting may set aside such sums as the Management Board deems appropriate for transfer to contingency funds, ordinary or extraordinary reserves, retained earnings, or for distribution.

dividend, reserves or premiums, or of a capital reduction, will be made through the
delivery of assets in kind, including financial securities. In all cases, it may be decided
that rights forming fractional shares will be neither negotiable nor transferable,
notwithstanding Article 6-2 of these by-laws. In particular, it may be decided that if the
share of the distribution to which the shareholder is entitled does not correspond to a
whole number of the unit of measure used for the distribution, the shareholder will
receive the whole number, in the unit of measure, immediately below that number,
together with an equalization payment in cash.
