TERMS OF THE OFFER

Beneficiaries: the beneficiaries of the reserved employee shareholding plan are employees of the group's companies in Germany, Brazil, Bulgaria, Canada, Spain, France, Mexico, the Netherlands, Poland, Romania, the United Kingdom and the United States who have become members of the group savings plan or international group savings plan (*plan d'épargne groupe*), regardless of the nature of their employment contract, subject to their having been employed for at least three months on the last day of the payment period. A financial institution mandated by Vivendi SE will provide hedging for the "Opus 20" leveraged and capital-guaranteed plan.

Maximum Participation Amount:

The Management Board has decided that the number of shares offered shall be limited to:

- 1,000,000 shares under the standard plan: "Groupe Vivendi Relais 2022" FCPE, section "Relais Vivendi Epargne" and
- 7,000,000 shares under the Vivendi "Opus 22" leveraged plan.

Purchase price:

On May 31, 2022, the Chairman of the Management Board acting pursuant to a resolution adopted by the Management Board at its meeting held on December 13, 2021, will set the purchase price which will be equal to 85% of the average opening price of Vivendi shares on the Euronext Paris market over the twenty (20) trading days preceding May 31, 2022.

Maximum investment: pursuant to Article L.3332-10 of the French Labor Code, annual payments made by the beneficiaries of the offer may not exceed one-quarter of their gross annual compensation. Reduction of subscription requests:

For each plan, if the total number of Vivendi shares requested by employees is higher than the number of shares offered, a reduction will be made in accordance with the following principles:

- in order to allow the greatest number of employees to participate, the Chairman of the Management Board, to whom all appropriate powers have been granted, will set a guaranteed minimum number of shares per participant (equal to the maximum number of shares offered under the plan divided by the number of participants to such plan);
- a subscription request that is less than or equal to this minimum number will be accommodated in full; and
- a subscription request that is higher than this minimum number will be accommodated up to this minimum amount; the portion of the request that exceeds the minimum number will be reduced proportionally, up to the maximum number of shares offered under the plan.

HEDGING TRANSACTIONS
